Dear Donor,

We recognize that your company receives many requests from various organizations for donations to their activities, campaigns and causes. There are many worthwhile organizations making these requests and we understand there are limited resources to pledge to all. As you enter into your 2022 fiscal planning process, we would respectfully ask that you consider the **American Cancer Society's Celebration of Life Fashion Show** as one of your support projects. **The event will be held on Friday, April 22, 2022 in downtown Monterey, in the heart of historic downtown at the Monterey Marriott.** During the event you'll hear inspirational stories from survivors, supporters and how the American Cancer Society is leading groundbreaking research for a cure.

Over the past twenty-eight years, this prestigious event has raised more than \$1,730,000. With your support we continue to **help cancer patients in Monterey County with research**, information, transportation and more, regardless of the patient's age or socio-economic status. Your sponsorship to this cause is greatly appreciated and is vital for the success of the show.

Every donation is important, and the need is always great. Auction items in demand are inspired by staying safe at home and healthy, online lessons and classes, crafts and activities, home organization, meal preparations, and vacations to cabins or lake houses.

As a donor your business will receive recognition in the auction catalog, acknowledgement with attendees and promotion on our social media channels. Your business donations and personal contributions are tax-deductible. We have enclosed the auction donation form.

Please mark the date of the event and consider the American Cancer Society's Celebration of Life Fashion Show as you prepare your budgets and charitable contributions support for 2022. Together, we can advocate for the mission and **make a difference to save lives, celebrate lives, and lead the fight for a world without cancer.**

Thank You,

Ted Lorono
